Black Out

Saturday, August 15th

This weekend marks the end of the [2015 Persied Meteor Shower](#); there is also a new moon and if lucky we'll have clear skies on the weekend.

Let's enjoy the night sky by turning off the lights at dusk on Saturday night. This is an annual event to mark the brilliant night skies that were available during the 2003 blackout.

Fall Colours Hike

Saturday October 3rd

Mark and Heather Roper are leading an autumn trek up Blue Mountain. Weather permitting, meet at Cordova Mines Library parking lot at 8:30 AM. This is approximately a 4 hr hike of moderate difficulty with rest and lunch breaks on well marked trails. Bring your own lunch.

Locally known as Blue Mountain, it is 300 feet high, and located a few miles north east of Stoney Lake in the Peterborough Game Preserve. It is made up of Canadian Shield ancient bedrock and beautiful hardwood forests, the perfect setting for a fall colour hike.

For further information please contact Mark Roper at mh.roper@hotmail.com or call 705-778-1754.
