Reminder: 2014 Pike Tournament - Saturday May 31, 2013

8AM - 3PM at the Belmont Lake Marina. Awards at 3:30.

Contact Brandon van Asten for details (brandon@canadiancoldblood.com) or see the [BLCA 2014 Pike Derby Flyer](#).

Belmont Lake has always been regarded as an excellent fishery where anglers could experience the excitement of some of Ontario's premiere sport fish. Within the last fifteen years all species of native game and bait fish have experienced tremendous pressures due to the introduction of Northern Pike. Northern Pike are not indigenous to Belmont Lake and surrounding bodies of water.

The goal of this tournament is to help control the Northern Pike population within Belmont Lake and raise funds for future stocking programs and habitat management. Meet your fellow anglers at the Belmont Lake Marina on Saturday, May 31 for the Annual BLCA Pike Tournament. The tournament is open from 8AM to 3PM; anglers may weigh fish at any time during this time. Awards at 3:30PM..

2014 Newsletter

The BLCA's volunteer "Road Rep" team will begin distributing the 2014 BLCA Newsletter on the May Long Weekend, and distribution will continue through the next few weekends. This amazing group of volunteers is also collecting 2014 BLCA Membership fees and selling the 2014-2015 Belmont Lake Calendar (\$5). Membership fees and volunteer support are key to our ongoing programs as a lake association.

A softcopy version of our [2014 BLCA Newsletter](#) can be found at our website under "[Newsletters and Emails](#)"

Send us an email to membership@blca.ca if you would like to request a copy of the newsletter via regular mail. Our Membership Form, as well as instructions for online payment can be found on our website under "[Membership](#)".

Road Rep Volunteers needed: We are looking for new volunteers for FR33, FR23F and FR23G.

Pontoonarama - Saturday June 14

Pontoonarama is an exciting new social event for 2014! This is an opportunity to meet new people and share our love of Belmont Lake. The BLCA has extended an invitation to the Round Lake Cottagers' Association (RLCA) for their members to tour Belmont Lake.

HOW IT WORKS: Our members will host the RLCA members on our boats and the visitors will provide lunch for us. We expect to depart from our individual docks at 11am. We will meet for lunch at 12.30pm in Taylor's Bay, opposite the north end of Big Island, on the west side of the lake. On Google maps, this bay is labelled North River Bay and is the large bay adjacent to Munn's Bay. We will tether our boats together while we enjoy the lunch brought by the visitors. The tour ends after lunch.

No need to have a pontoon boat, just a vessel large enough to accommodate guests. The RLCA will reciprocate in August 2014. If the event proves successful, we could expand it to include other lakes in the region.

If you want to participate, please email: pontoonarama@gmail.com. We need to know how many guests you can accommodate and your cottage address. If you are on the island, we will assume the marina is the pick-up location. Please R.S.V.P. as soon as possible to facilitate the matching of visitors to boats. We need to know no later than June 3. We will then provide contact information so you can make arrangements for your guests to get to your cottage.

The RLCA has requested that their members not bring pets. Rain date is June 15..
