PLEASE ALSO SEE THE INFORMATION BELOW FROM FEEDBACK RE SOCIAL ACTIVITIES SURVEY. OUR SUMMER PROGRAM FALLS WELL IN LINE WITH THE SURVEY RESULTS.

Some interesting results, and gee wiz, some of the top responses are the things we are doing! Funny that!!! So, we are going to get some good reviews this year I hope. I've summarized the results in the attached spreadsheet for those that like data, but I will give you the quick review now - and Greg, I would like this information posted on our site as well..

"Thank you to all of those that participated in our on-line social survey. Based on your feedback, we will endeavour to hold the events that received the most positive response. As many of you would guess, our top 5 past social activities were:

- #1 Annual Regatta
- #2 Parade of Lights
- #3 Pike Tournament
- #4 Live Band Dance Party
- #5 Sail Boat Races

Based on your feedback, the events that you would like to see are:

- #1 Annual Regatta (56% positive)
- #2 Corn Roast (56% positive)
- #3 Fireworks (48% positive)

- #4 Live Band Dance Party (48% positive)
- #5 Parade Of Lights (36% positive)
- #6 Yard/Dock/Beach Sale (28% positive)
- #7 Amazing Race (28% positive)
- #8 Golf (20% positive)

As you can see from the list above, we have already been working to put some of these activities together. This year, we are running a Monkey Golf tournament, for the entire family and all skill levels; some of the feedback we received was to have a regular Golf Tournament as well, that will be on tap for next summer. We have added a Beach Sale to our Sunday Regatta day, watch the site for more details - coming soon. The Corn Roast is also being planned so watch for those details as well!
