The Belmont Lake Regatta is one of the many activities and services provided by the Belmont Lake Cottagers' Association. The Association is a not-for-profit organization run by a volunteer Board of Directors. BLCA works with cottagers and permanent residents on issues of the environment & water quality, property taxes, social activities, boating safety & other issues that affect our lake.

Your annual \$30 membership fee allows your BLCA board to run events such as the regatta. Memberships may be purchased at the Regatta.
